Modular Lighting

Bars & Grid Frames

Unleash your creativity, and kick your next live show into overdrive, with our latest range of modular lighting bars & grid frames. Designed to provide maximum flexibility when mounting your fixtures, they connect quickly and securely to main truss grids via our CELL Clamps with suspension cables.

Available in

Expand your lighting creativity

The H Frame, T Frame, Eye Bar and Extension Bar are based on our modular, single tube M100 series. Every component features conical connection technology and durable 48 x 3 mm extruded aluminium (EN AW-6082 T6) profile, that can be mixed and matched to achieve virtually any lighting or stage set configuration. All frames and bars can be supplied in Powder Coated Black finish, Natural Aluminium or other Powder Coated colors.

Modular Lighting Bars & Grid Frames
